Issue Date: November 8, 2005 :
Application No. 09/121,587 :
Filed: July 23, 1998 :
Patentee(s): Thomas J. Chambers, et. al. :

NOTICE

This is a notice regarding your communication filed on December 16, 2006, which is being treated as a request for acceptance of a fee deficiency submission under 37 CFR 1.28. On September 1, 1998, the Court of Appeals for the Federal Circuit held that 37 CFR 1.28(c) is the sole provision governing the time for correction of the erroneous payment of the issue fee as a small entity. See DH Technology v. Synergystex International, Inc. 154 F.3d 1333, 47 USPQ2d 1865 (Fed. Cir. Sept. 1, 1998).

The Office no longer investigates or rejects original or reissue applications under 37 CFR 1.56. **1098 Off. Gaz. Pat. Office 502 (January 3, 1989)**. Therefore, nothing in this Notice is intended to imply that an investigation was done.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified patent. However, in accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

Your fee deficiency submission under 37 CFR 1.28 is hereby **ACCEPTED**. Therefore, status as a small entity has been removed and all future fees paid must be paid at the large entity rate.

Inquiries related to this communication should be directed to the undersigned at (571) 272-3226.
